- Download section race <https://prototypecup.com/de/races/lausitzring-2022>
- 2022 Regulations Bulletins www.prototypecup.com/en/team-info/general-info
- Digital Notice Board [ADAC GT Masters Weekend - Lausitzring 2022 - Virtueller Aushang \(adac-sport.com\)](https://www.adac-sport.com/ADAC-GT-Masters-Weekend-Lausitzring-2022-Virtueller-Aushang)

MANDATORY ITEMS FOR THE RACE

- Transponder MyLaps direct power transponder with driver-ID.
- Datalogger As per Series regulations.
- Michelin Tyres Full Season entries may order 3 sets of slick tyres and announce 1 carry-over set from Nürburgring. Single event entries may order 4 sets of slick tyres
[Download tyre order form](#) / [Download tyre technical recommendation sheet](#)

The tyre order form must be sent latest 8 August to charly@kronostyres.com / vink@creventic.com

We are happy to confirm that each car is allowed to purchase one additional set for Thursday testing.
Note: during the official part of the event only the registered sets may be used as per regulations.
- Fuel Only fuel supplied by P1 Fuels and sold by SD-Tec may be used ([Fuel order form](#) / [Fuel spec sheet](#))

EVENT INFORMATION

- Track Layout We will be using the DEKRA Lausitzring Sprint-Version, with a length of 3478m and 12 turns.
- Time schedule The time schedule can be found on the website: <https://prototypecup.com/de/races/lausitzring-2022>.

Tomorrow (17-08) ADAC will publish the official event time table. This will include the following sessions that are mandatory to take part:
- Meet the driver: autograph session in the paddock in driver overall.
- Pit Walk: all doors must be open during this session and the car must be visibly placed at the front in the pit box. It is recommended that drivers are available and wear their overall to be able to give autographs to fans.
- Additional track time A total of 30 minutes has been added to the official free practice. Each free practice is now 45 minutes.
- Additional Test session There will be two additional test sessions of 60 minutes on Thursday. The total fee for the sessions is €480 and can be ordered by entering via [Prototype Cup Germany - Lausitzring 2022 - Online-Nennung \(adac-sport.com\)](#). Please do so if you haven't done already.

Registration needs to be done via the online Entry portal, as follows and with the request to complete it by Wednesday (August 17th). You need to change your entry and add the Thursday test under additional services to your entry.
These sessions are also available for teams/cars that are not participating in the official event. They can enter via the official entry form as well.
- Tyre Registration All participants have received an email with a manual how to register the Michelin tyres. The manual is also added to the download section on the website.

TEAM INFORMATION Lausitzring 2022 – V3: 16-08-2022

- Administrative check & scrutineering** Scrutineering will be in your own pit box on Thursday between 12:00 and 18:00. The administrative checks will be done on Thursday, after the additional test sessions between 18:15 and 19:05. Each team will have a separate timeslot.

TEAM INFORMATION Lausitzring 2022 – V3: 16-08-2022

Paddock & Pitbox Information

- Pit box allocation**

All teams will be in the pit boxes, which are 14,5 m in length and 4,5 m wide. **The pit box allocation is published on the [website](#).**
 Per team/garage one truck can be placed in front of the garage, no big equipment between trucks and garage is allowed. All other equipment needs to be in row 2.
 The area between the trucks and the pits is designated as an emergency road. Therefore, no permanent equipment such as tyres, tyre tents, quads, etc. is allowed to be set up/parked in this area.
- Pit box keys**

Keys can be picked up at the paddock office (€100 deposit per key).
- Paddock Allocation**

All teams must fill in the Paddock request form. We will mark the paddock location per team on location.
- Access times for trucks**

Trucks are allowed on the paddock from Wednesday morning 9:00 onwards. It is also allowed to arrive on Thursday morning.
- Location Michelin Tyres**

Michelin tyre service will be located on the paddock.
- Location SD-Tec / P1 Racing Fuels**

SD-Tec will be located near the fuel station on the paddock, check the paddock allocation for more info.
- Parking**

It is required to park all passenger vehicles on the designated parking, there will be no cars allowed on the paddock.
